Sir:

Notice of Expired Suspension of Action

The Office attempted to suspended action in this application on February 8, 2006. As noted in Applicants' letter dated March 21, 2006, the attempt was legally improper. Nevertheless, suspension of Office action has a maximum time period of 6 months (MPEP § 709). Thus, even if the attempted suspension was legal (which it wasn't), the suspension expired on August 8, 2006. Thus, action in the application is no longer suspended. In response to the Board of Patent Appeals & Interferences' decision (on November 29, 2005) completely reversing the Office, Appellants request their long overdue Notice of Allowance.
